## DISCLAIMER

Forward-looking statements

- Certain information contained in this document, including any information as to the Company's strategy, plans or future financial or operating performance constitutes "forward-looking statements".
   These forward-looking statements can be identified by the use of terminology such as, "aims", "anticipates", "assumes", "believes", "budgets", "could", "contemplates", "continues", "estimates", "expects", "intends", "may", "plans", "predicts", "projects", "schedules", "seeks", "shall", "should", "targets", "would", "will" or, in each case, their negative or other variations or comparable terminology.
- Forward-looking statements appear in a number of places throughout this document and include, but are not limited to, express or implied statements relating to: the Company's business strategy and outlook; the Company's future results of operations; the Company's and the William Hill International's future financial and market positions; the Company's margins, profitability, cash, borrowings and prospects; expectations as to the Company's future growth; the Company's plans with respect to capital expenditure; general economic trends and other trends in the industry in which the Company operates; the impact of laws and regulations on the Company and its operations; and the competitive environment in which the Company operates.
- By their nature, forward-looking statements are based upon a number of estimates and assumptions that, whilst considered reasonable by the Company are inherently subject to significant business, economic and competitive uncertainties and contingencies. Known and unknown factors could cause actual results to differ materially from those indicated, expressed or implied in such forward-looking statements. Forward-looking statements are not guarantees of future performance. Any forward-looking statements in this document reflect the Company's current view with respect to future events and are subject to certain risks relating to future events and other risks, uncertainties and assumptions.
- The forward-looking statements contained in this presentation reflect knowledge and information available as of the date of preparation of this document. The Company and its directors expressly disclaim any obligations or undertaking to update or revise publicly any forward-looking statements, whether because of new information, future events or otherwise, unless required to do so by applicable law or regulation. Nothing in this document should be construed as a profit forecast. The information contained in this communication is not an offer to sell or a solicitation of an offer to purchase interests in any company or a related entity, nor is it intended to provide, and should not be relied on for, investment, tax, legal or financial advice.

## AGENDA

## ) Introduction to 888

**Overview of William Hill Transaction** 

FY 2021 Results and Q1 2022 Trading Update

.....

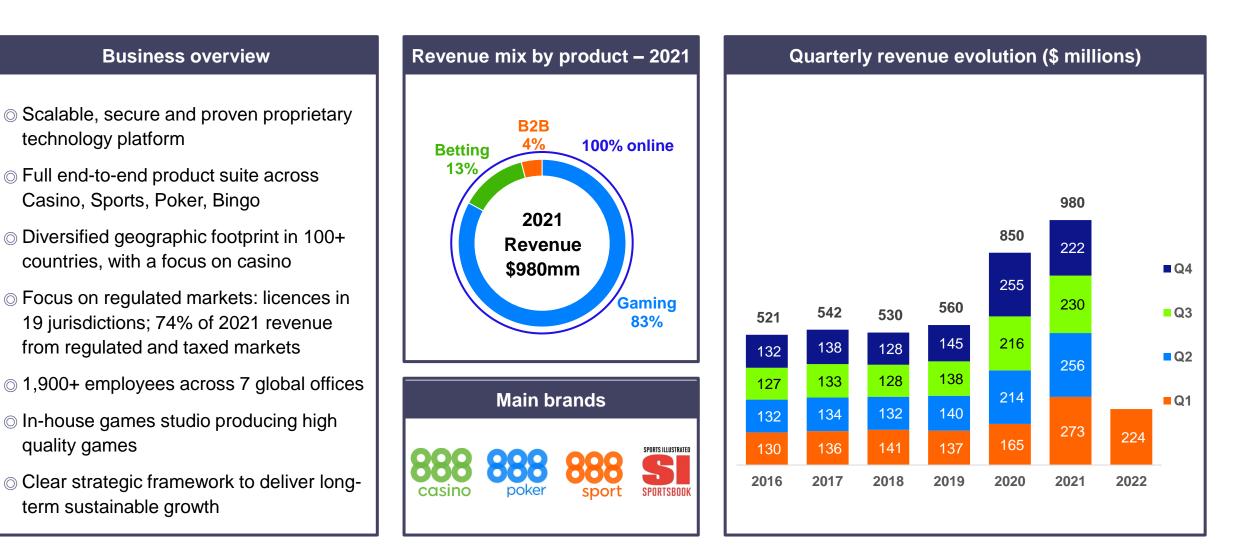

攴

# **INTRODUCTION TO 888**

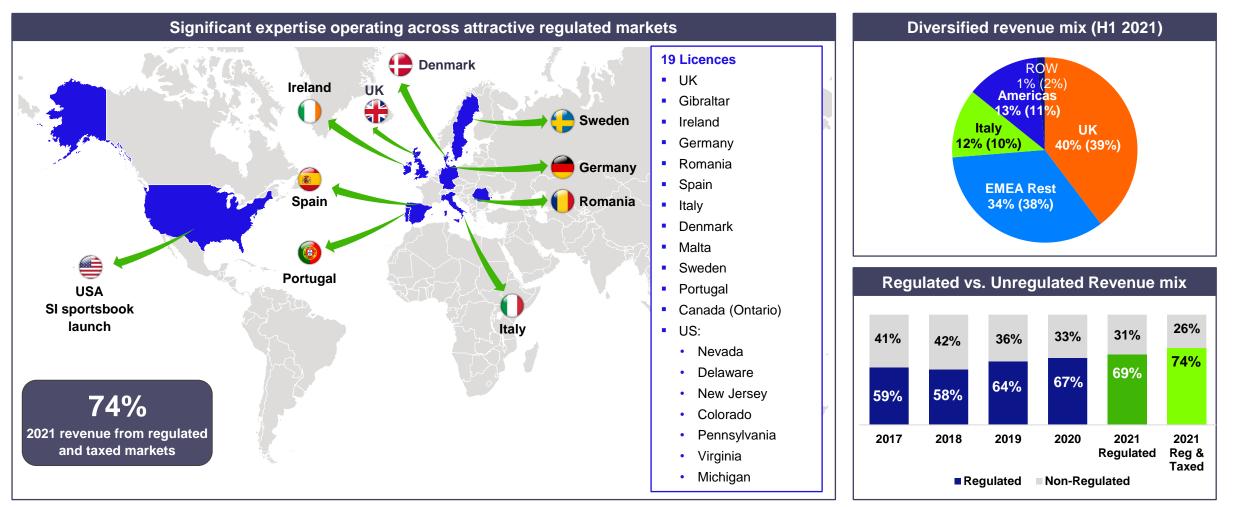

# 888: AT A GLANCE

## A leading global online betting and gaming company

# **REGULATED MARKET FOOTPRINT**

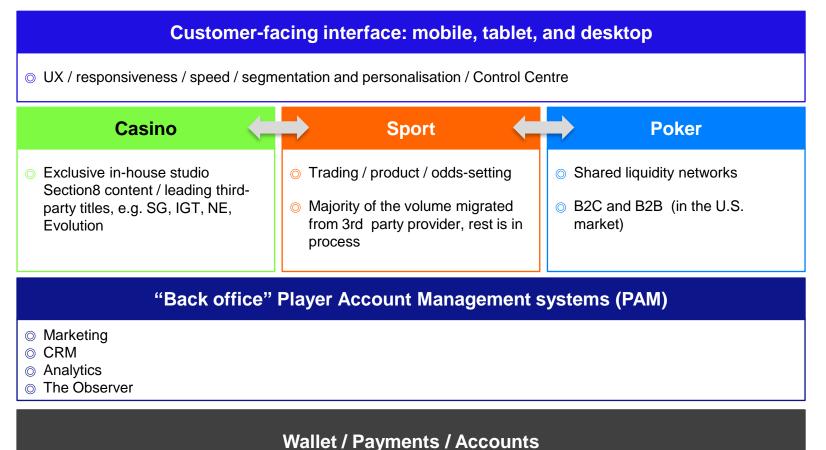

# Well diversified geographic mix with a focus on regulated markets

# **PROPRIETARY TECHNOLOGY**

## Unique infrastructure with scalable and proven in-house technology

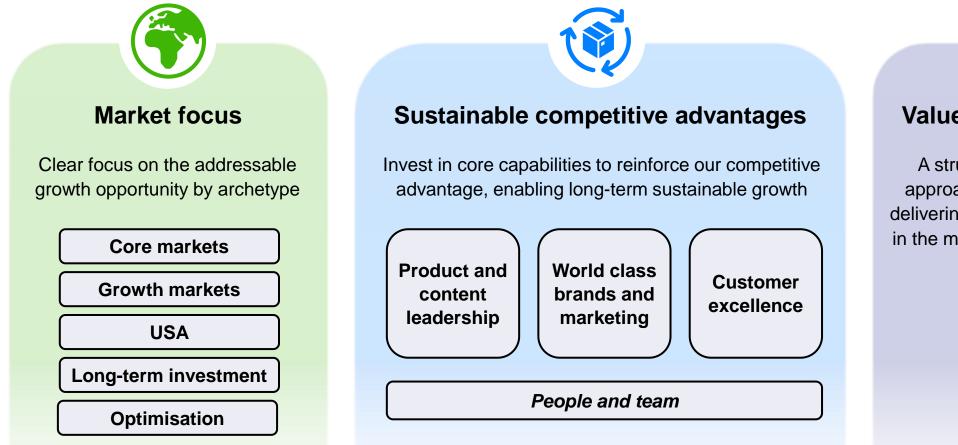

#### Highly scalable and secure proprietary platform underpins competitive advantages

- Full product suite across the four major online gaming verticals
- Compliant in multiple jurisdictions highly flexible and agile
- B2C and B2B capabilities
- "Mobile first" approach to product development
- Safer gaming integrated from product interface to back office proprietary Observer system that monitors all play in real time

# 888: A GLOBAL LEADER

Refined our strategic framework to 3 focus areas to deliver long-term, sustainable growth

Value enhancing M&A

A structured and systematic approach to M&A, focussed on delivering long-term value creation in the most attractive end markets

Strategic vision for sustainable growth aligns with and is supported by our Made for the Future ESG framework

# MARKET FOCUS

#### Clear focus on attractive long-term growth opportunities, with strong progress in 2021

# **MARKET FOCUS – THE USA**

#### Long-term growth opportunity where we can leverage iconic brands to grow profitably

Technology Scalable proprietary platform

#### Iconic Leading Brand

= SI $^{\circ}$ 

Integrated content, media and gaming creating differentiation

#### **Operational Expertise**

Product leadership; world class marketing; customer excellence

#### **Market Access**

# **PRODUCT LEADERSHIP**

## Best-in-class features; differentiated proprietary content; and Al-driven personalisation

#### Content-rich

Over **870 games** added to 888casino in 2021, with personalised interface and player recommendations

888's in-house games development studio, **Section 8**, produces high quality gaming content exclusive to 888 casino

#### Industry leading UX, built with a customer-first focus

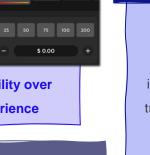

Mobile-first award-winning Poker product

Proprietary technology enables full flexibility over player personalisation and user experience

Innovation

Industry innovations like **Betfeed** and **live casino jackpots** provide differentiated features and drive engagement

#### Safety

888's quick and intuitive Control Center offers industry leading insight and transparency, giving players real-time information on their gambling activity

#### Entertainment

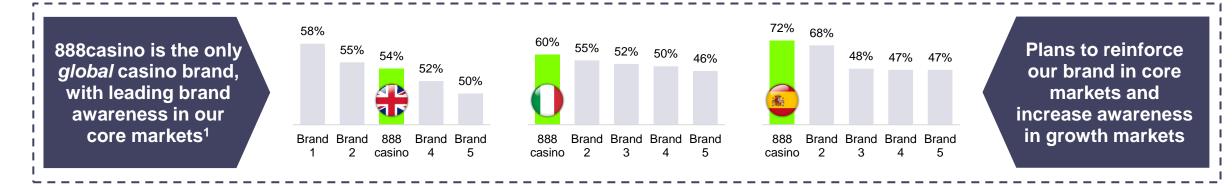

Fully owned proprietary technology across all products (sportsbook, casino, poker and bingo) enables 888 to build once and deploy globally

Scalability

# **WORLD CLASS BRANDS**

#### Made to Play master brand plan builds on our position as a leading global casino brand

GET In-App Purchases

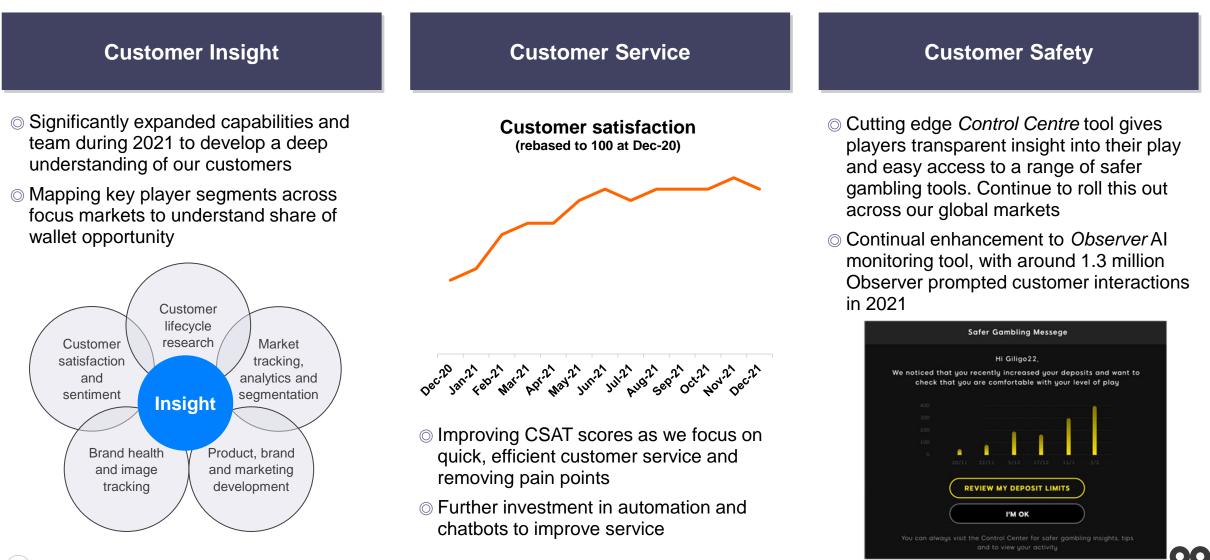

# **CUSTOMER EXCELLENCE**

#### Understanding customer needs to create the best betting and gaming experiences

(13

# VALUE ENHANCING M&A

## Becoming a global leader through strategically and financially attractive M&A

Creating a global online betting and gaming leader by bringing together two highly complementary businesses and combining two of the industry's leading brands

#### Significantly accelerates progress against our strategy

 Positions the business as a leader in our core and growth markets. Top-3 positions in the UK and Spain, and top-5 positions across a wide range of markets

 Creates a platform for strong growth in the most attractive regulated / regulating markets  Enhanced exposure to sports betting, through iconic world class William Hill brand

Sustainable competitive advantages

 Leveraging combined skills of employees and best of both sharing across proprietary technology, product, brand, and marketing

 Omni-channel opportunity to leverage UK retail footprint to improve experience and drive FTDs

Platform for long-term growth in the US through strategic partnership with an iconic US brand to launch SI Sportsbook

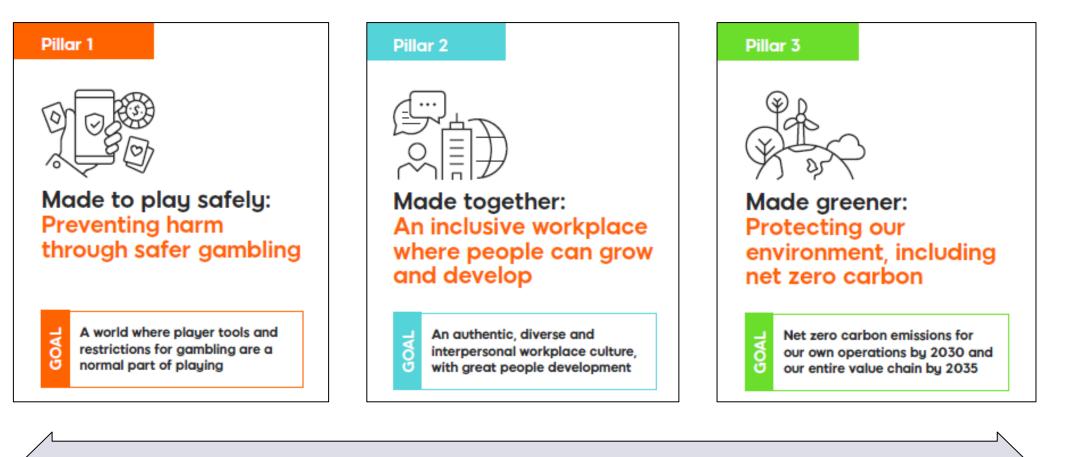

Proposed sale of our bingo business enables increased focus on core growth opportunities

Good pipeline of global opportunities to access long-term growth potential of emerging markets

# MADE FOR THE FUTURE

Developing clear ESG framework to set a platform for sustainable long-term growth

All underpinned by a robust corporate governance framework

15)

# SAFER GAMBLING

## 888 is committed to ongoing improvement in making gambling safer

Safer gambling is a key pillar of 888's wider ESG framework

#### Pillar 1

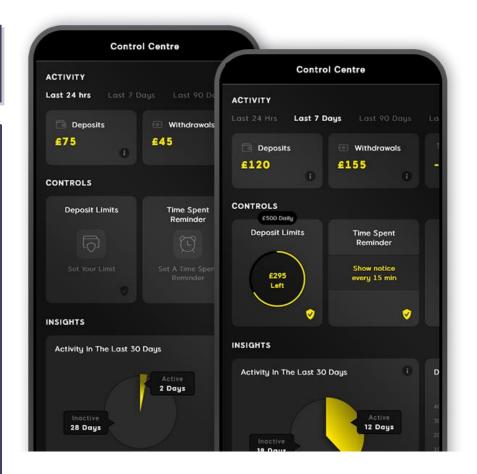

#### Made to play safely: Preventing harm through safer gambling

A world where player tools and restrictions for gambling are a normal part of playing We recognise that we must use technology as a force for good

888 has developed two critical technologies that are central to our approach to safer gambling:

- Observer is 888's player monitoring system that uses sophisticated AIdriven algorithms to flag unusual or potentially concerning customer activity. This enables our highly trained safer gambling team to make the most appropriate interactions with customers to help them make informed decisions about their gambling.
- The Control Centre is a customer focused interface designed to give players transparent insight into their play through intuitively presented, realtime data, and provide easy access to a range of safer gambling tools

# MADE TO PLAY SAFELY

Ø

# OVERVIEW OF WILLIAM HILL INTERNATIONAL TRANSACTION

# **A POWERFUL COMBINATION**

Transformational acquisition creating a high-growth global leader with significant scale

888

Source: Company information: Figures converted into USD at exchange rate of £1:\$1.2841 in 2020 and £1:\$1.3757 in 2021

18

Notes: Based on unaudited management accounts of WHI and remains subject to change. The final version of the WHI historical financial information will be included in the prospectus to be published in due course <sup>1</sup> Adjustment to include a full year of retail contribution based on the performance of the last 6 months of 2021, actual figures were Revenue £336.8m and EBITDA £0.6m.<sup>2</sup> Includes net £3.5m related to FX differences

# STRATEGIC RATIONALE

#### Transformational acquisition creating a high-growth global leader with significant scale

The Acquisition brings together two highly complementary businesses, combines two of the industry's leading brands, and **significantly accelerates progress against our strategy:** 

Market focus

Sustainable competitive advantages

Value enhancing M&A

- Positions the business as a leader in our core and growth markets with a platform for strong growth. Top 3 position in the UK and Spain, and top-5 positions across a wide range of markets
- Increased regulated and taxed revenue mix (pro forma FY21: 85%), Improving sustainability
- Enhanced exposure to sports betting, through iconic world-class William Hill brand
- Leveraging combined skills of employees and best of both sharing across proprietary technology, product, brand, and marketing
- Omni-channel opportunity to leverage UK retail footprint to improve experience and drive new customers
- Financially attractive with at least £100m cost synergies expected, along with potential revenue upside
- Step change in scale positions the Enlarged Group to take advantage of growth opportunities, whilst simultaneously driving operating leverage

Notes: 888 results in \$ have been translated to £ at an exchange rate of £1:\$1.3757; <sup>1</sup> Based on unaudited management accounts of WHI and remains subject to change. The final version of the WHI historical financial information will be included in the prospectus to be published in due course. Adjusted EBITIA figure includes £54mm of non capex cost synergies expected in YE 2023, net £3.5m related to FX differences and both, Revenue and Adjusted EBITDA figures include the retail adjustment which includes a full year of retail contribution based on the performance of the last 6 months of 2021, actual figures for retail in 2021 were Revenue £336.8m and EBITDA £0.6m

SPORTS ILLUSTRATED

# **MULTIPLE STRATEGIC BENEFITS**

## Combining complementary businesses creates significant growth opportunities

#### Sports betting is the fastest growing segment

Access to a leading brand with strong sports heritage
 Influx of operating expertise in sports betting

#### Increasingly regulated, large, growing market

~\$345 billion global market, online penetration only 16%<sup>1</sup>
 Strengthens position across core and growth markets

#### Scale critical given pace of regulatory change

Take advantage of growth opportunities as countries regulate
 Operating leverage and ability to manage challenges

#### Customer experience is key

Ability to leverage complementary strengths across all key areas, including technology, product, brand, and marketing
 Leverage the combined skills and talent of >12,000 staff

#### Scale and capabilities creates a virtuous circle

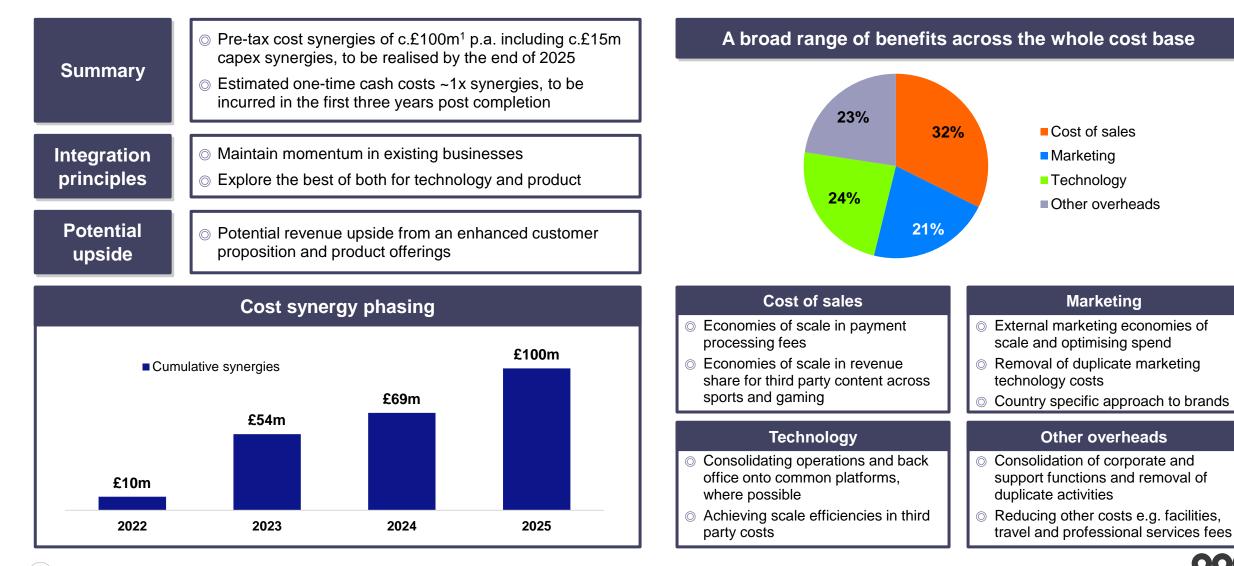

Underpinned by continued focus on safer gambling

<sup>1</sup> Source: H2GC (2019 due to COVID related retail disruption in 2020. Excludes lottery,

# SYNERGIES

## Significant synergy potential to drive immediate value creation and fuel growth

Source: Company information

Notes: 1 Synergies have been calculated in \$, and translated back to £ for the purposes of this presentation at an exchange rate of £1:\$1.4

# CAPITAL MANAGEMENT FRAMEWORK

## Efficient capital structure for long term management of pro forma business

#### Capital management framework

Debt financing	<ul> <li>Fully committed debt financing</li> <li>Expect to announce credit ratings and syndicate institutional debt during Q2 2022</li> </ul>
Equity raise	<ul> <li>Successful completion of accelerated bookbuild of c.19% of issued share capital and raising gross proceeds of £163m</li> <li>Target proforma net leverage of 4x<sup>1</sup></li> </ul>
Dividend	In order to accelerate deleveraging, and following feedback from shareholders, the Board intends to suspend the payment of dividends until such time as the Enlarged Group's net leverage ratio is at or below 3x, or such earlier time as the Board considers appropriate
Leverage target	Strong free cash flow generation expected to support rapid deleveraging – Medium term target at or below 3x

#### Pro forma net debt post equity raise

Purchase price			(£1.9bn)
Equity			0.2
WHI and 888 Lease	liabilities		(0.1)
888 Cash balance			0.2
Total net debt post	equity		(1.75)
	Rapid deleve	eraging profile	
	Medium term tar	get at or below 3x	
2022	2023	2024	2025

Source: Company information

Notes: 888 figures in \$ have been translated to £ at an exchange rate of £1:\$1.3757; <sup>1</sup> Based on unaudited management accounts of WHI and remains subject to change. The final version of the WHI historical financial information will be included in the prospectus to be published in due course. Includes £54mm of non-capex cost synergies expected in YE 2023, net £3.5m related to FX differences and the retail adjustment includes a full year of retail contribution based on the performance of the last 6 months of 2021, actual figures for retail in 2021 were Revenue £336.8m and EBITDA £0.6m

# FY 2021 RESULTS AND Q1 2022 TRADING UPDATE

# **FY2021 FINANCIAL HIGHLIGHTS**

#### **Record revenues and Adjusted EBITDA despite regulatory headwinds**

US\$ million	S	2021	2020	YoY
	B2C	941.9	814.3	16%
Revenue	B2B	38.2	35.4	8%
	Total	980.1	849.7	15%
Profitability	Adjusted EBITDA	165.0	155.6	6%
	Adjusted EBITDA Margin	16.8%	18.3%	-1.5ppts
	Adjusted EPS	27.3c	27.3c	flat
	Free Cash Flow <sup>2</sup>	102.7	175.4	-41%
Financial Position	DPS (Dividend) <sup>3</sup>	4.5c	14.6c	-69%
	Net Cash⁴	174.5	148.2	18%

- Revenue growth of +15% (+10%cc<sup>1</sup>) driven by expansion in regulated markets
- Adjusted EBITDA margin slightly down, reflecting additional investment in the US and marketing to support our growth plans
- Free cash flow impacted by working capital timing, particularly the significant positive swing in the prior year, together with investment in the US and exceptional costs related to M&A
- Strong balance sheet with 18% increase in Net Cash position

<sup>1</sup> Constant currency ("cc") growth is calculated by retranslating the non-dollar denominated component of 2021 revenues at 2020 exchange rates <sup>2</sup> Cash flow from operating activities less tax paid and capex

<sup>3</sup> Refers to regular dividend. 2020 excludes one-off special dividends of 4.
 <sup>4</sup> Cash and cash equivalents excluding customer deposits

# **ADJUSTED EBITDA**

## 6% growth in Adjusted EBITDA despite increased investment in the US

US\$ millions	;	2021	2020	YOY	
Revenue	Group revenue	980.1	849.7	15%	
	Cost of sales <sup>1</sup>	333.1	286.9	16%	-
Gross profit	Gross profit <sup>1</sup>	647.0	562.8	15%	-
	Gross margin	66.0%	66.2%	-0.2ppts	
	Marketing expenses	306.5	237.1	29%	
Contribution	Contribution	340.5	325.7	5%	
	Contribution margin	34.7%	38.3%	-3.6ppts	
	Operating expenses <sup>2</sup>	175.5	170.1	3%	
Adjusted	Adjusted EBITDA <sup>2</sup>	165.0	155.6	6%	
EBITDA	Adjusted EBITDA margin	16.8%	18.3%	-1.5ppts	

- Double digit growth across most major markets, despite challenging comparatives
- Gross profit margin largely stable, with 3<sup>rd</sup> party cost savings offset by increased duties as regulated mix increases
- Continued investment in growth with marketing up 29% as we target leading positions in our key focus markets
- Strong scale benefits with operating cost leverage, leading to Adjusted EBITDA margin being 1.5ppts down despite increased marketing and US investment

<sup>2</sup> Excluding depreciation, amortisation, share benefit charges, and other exceptional costs. Please refer to the full financial statements for further details and a reconciliation

# Q1 2022 TRADING UPDATE

### Strong strategic progress setting the platform for future growth

US\$ millions	Q1 2021	Q4 2021	Q1 2022	ΥοΥ%	QoQ%	
B2C Gaming	221	192	191	-14%	-1%	
B2C Betting	42	20	24	-42%	+19%	
Total B2C	263	213	215	-18%	+1%	
Total B2B	10	9	9	-6%	-2%	
Total Revenue	273	222	224	-18%	+1%	

- ◎ Group revenue of \$224m (Q4 2021: \$222m; Q1 2021: \$273m). Revenue +1% compared to Q4 2021, driven by average monthly actives2 growth of 4%, reflecting continued focus on product and content leadership, customer excellence, and the ongoing success of our world-class brands and marketing. Year on year decline 18% (-15% cc3), with average monthly actives lower by 8%, compared to a record result in Q1 2021 and reflecting the temporary exit from the Netherlands, and lower revenue per active driven by the heightened focus on safer gambling
- Key regulated markets delivered a strong performance, particularly the US, Romania and Portugal all of which grew year-over-year, together with strong sequential growth in Italy, offsetting a larger year-over-year decline in the UK, which was impacted by market-wide trends including the impact of increased player restrictions
- ◎ Launch of WSOP in Michigan, and licence awarded for 888 in Ontario
- Investment in 888AFRICA, giving the Group a strategic stake in a highly ambitious business with an experienced management team in one of the Group's long-term investment markets
- Further progress towards transformational acquisition of William Hill post Period end, with revised transaction terms and successful completion of an equity placing raising gross proceed of £163m
- Launch of new Made to Play master brand campaign in the UK during the Period, uniting all 888 brands under one proposition

<sup>1</sup> Constant currency ("cc") growth is calculated by retranslating the non-dollar denominated component of revenues at prior year period exchange rates; <sup>2</sup> Actives represent players who wagered real money during the period and have deposited real money on at least one occasion.

# SUMMARY

## SUMMARY

#### Well positioned to deliver further strategic progress as we become a global leader

- Transformational acquisition of William Hill International, creating a highgrowth global leader with significant scale
- Record financial results in 2021 and positive trading performance into 2022 despite significant additional regulatory headwinds
- Refined and clear strategy to target long-term growth opportunities, including the US
- Strong platform for future success and confident in long-term prospects
- Becoming a global online betting and gaming leader
